Adventure By Water

Beaches Tour

You can spend the day visiting these 3 awesome beaches. We provide a cooler with ice and water and you are free to provide your favorite drinks. The tour guide is going to recommend different places where you can take the lunch (typical food, sea food, vegetarian food, snacks and more) and you're free to choose the best option according to your preferences. **not included**

From \$ 200 (More or 4 people the price changes depending on the pickup location)

Sport Fishing

Costa Rica is recognized worldwide for sport fishing; this is thanks to its geographical location and a large number of places to do the North Pacific among them. On the Pacific coast There are species such as Blue and Black Marlins, Sailfish, mahi mahi, Groupers, Roosterfish, Tunas, Robalos among others. In Seven Sense. we have 2 options to i recommend you to have the best experience in fishing trip.

Half day From \$ 550 - \$ 950(29 feet boat)

Full day From \$ 800 - \$1300(36 feet boat)

Catamaran

We have incredible sunsets and mornings of snorkeling. In addition to including drinks and snacks, we also visit unique beaches in the Gulf of Papagayo, as long as the weather allows it.

From \$ 100 pp

Native Cultural Tour

If you want a unique cultural exchange with the first inhabitants of Costa Rica, be sure to go to the Native Reserve. You will be able to enjoy their dance and traditional food.

When you visit them, you will marvel at their way of life, which is far removed from the technological and bustling city.

You'll be in a real ecological environment where nature and peace are the best.
